"Since 2012"

FROM THE DESK OF CRINGEY (PRESIDENT, CEO, HUMAN RESOURCES, ETC)

Hi. Been a while, huh? Like, ONE YEAR??? **YEP**, I think thats about right. WOWSERS. Well, we gotta lot of catching up to do. Lets start, shall we? SHALL WE??!!!

So. You are probably asking why we haven't been cranking out the zines & podcasts. Short answer..... Lazy? Uninspired?? YEAH... Thats probably it. But. I've been struck with a jolt of inspiration to PICK UP THE PACE. I mean, I'm still bored... don't get me wrong. But I THINK it would be a grand idea For us all to be bored together. RIGHT? Best idea I've heard in a while. **So.** Have you heard about the guy that saw **KING KONG** in the theater **90** times?? ME TOO! OK, OK. Lets move on. And as always, hit me up @ culturecringemedia@gmail.com.
